

CVA and Social Protection: What Works, What Doesn't, and What Next

Linking MPCAs and the Federal SSN in Iraq

Vladimir Jovanovic

Technical Advisor, Cash Transfer Programming

December 2019

Cash Week, London

Collaborative Cash Delivery Network

Introduction

- Overview and timeline
- How the integration worked in practice
- Lessons learned

April 2014:
Passing of Social Protection Law, establishing use of PMT and social workers for SSN targeting

November 2014:
Development of *Social Protection Strategic Roadmap 2015-19*

September to December 2015:
All pre-law SSN beneficiaries re-assessed using PMT; 43% found ineligible

April to November 2016:
SSN online application launched; 1 million households apply, 750,000 found eligible for visits

April 2018:
Joint multi-stakeholder workshop on targeting, PPMT, civil ID and Gol systems

May 2019:
Workshop on PPMT results, overlap analysis, discussion of next steps

March 2015:
CCI formed

Summer 2015:
Iraq CWG formed as 'semi-cluster'; MPCA given standalone chapter in reissued 2015 HRP

March 2016:
CCI develops first PMT for MPCA targeting

January 2017:
CWG adopts CCI PMT as MPCA targeting model – harmonised targeting across MPCA response

September to October 2017:
CCI achieves scale; expected to have reached 75,000 households with MPCA by March 2019

July to October 2018:
CWG and CCI initiate development of new MPCA PMT

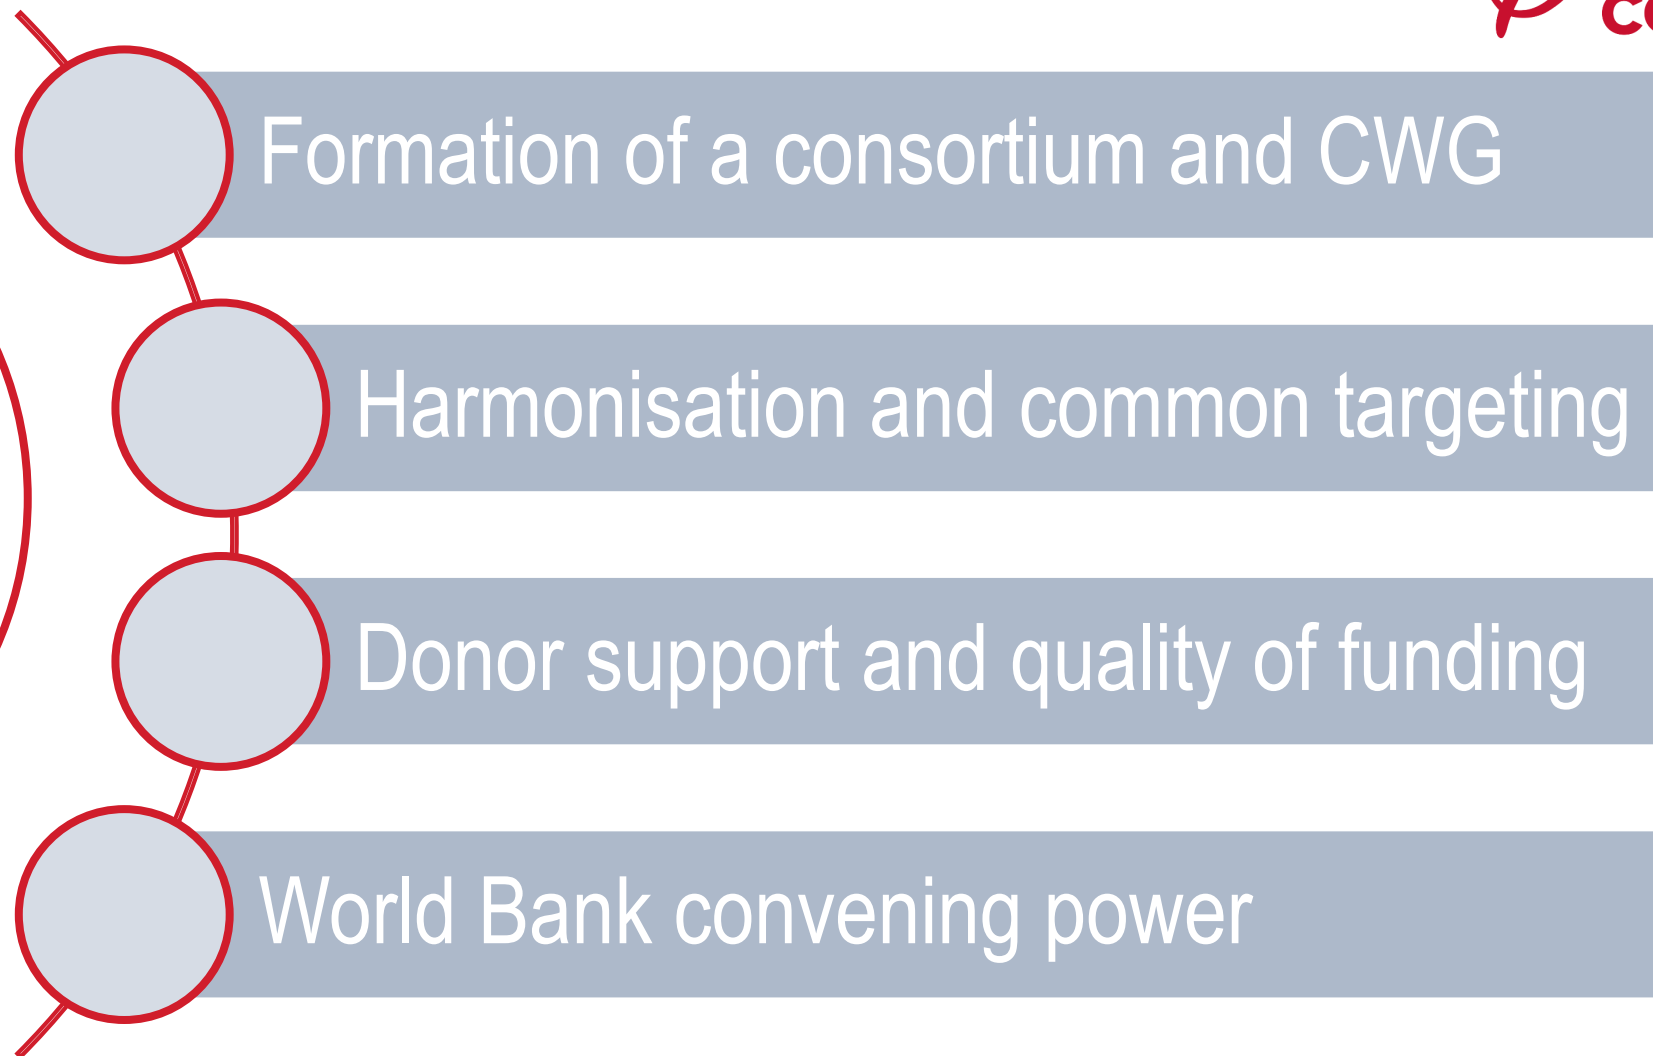

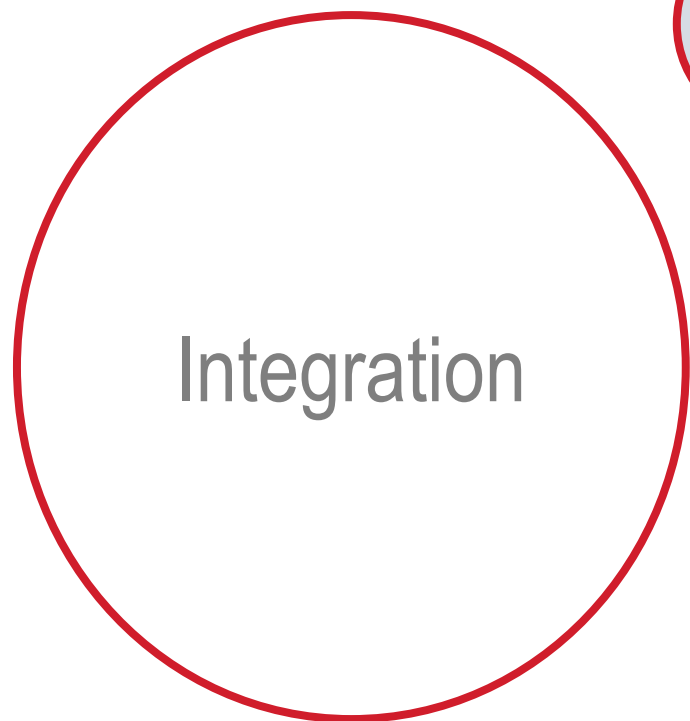

\$114 million

Total MPCA HRP funding in 2019

170,000

Households reached with MPCA, roughly 1m people

Lessons

- Collaboration and harmonisation are foundational, as is robust targeting.
- Impossible without quality and scope of funding available to us.
- Multilateral intermediary to mediate the process.
- Technical capacity to engage with the Bank team.
- Duty of care and due diligence of data protection policy and practice.
- Difficult to accomplish without a mature social protection system.
